# Partnership Agreement between SAHO and SUN Regarding Recruitment and Retention

Whereas an agreement has been signed between the Government of Saskatchewan and SUN on February 28, 2008 entitled "Partnership Between The Government of Saskatchewan and The Saskatchewan Union of Nurses"; and

Whereas those parties have committed to development of a more detailed action plan to implement the comprehensive nursing recruitment and retention strategy and have established a process for its implementation;

Therefore the parties agree to support the partnership agreement between the Government of Saskatchewan and SUN; and work together to operationalize that partnership agreement through the process facilitated by Dr. Marlene Smadu.

Signed this 6th day of March, 2008, in Regina in the Province of Saskatchewan

On behalf of Saskatchewan Association of Health Organizations

S. Artosh

On behalf of the Saskatchewan Union of Nurses
