

In December 2009, SAHO requested the appointment of a conciliator to assist the parties in furthering the negotiations. Discussions with the conciliator will commence at meetings scheduled in Regina for the week of January 18 – 21.

At this time we have committed to the conciliator that we will not make public statements regarding the collective bargaining process and negotiations. We will continue to provide updates to our stakeholders through the normal processes.

With this commitment it is our expectation that SAHO's members will also not communicate updates publicly. We would suggest that if you receive media calls, you continue to refer them to SAHO. SAHO will be using the following response:

SAHO has committed to the conciliator that we will not initiate public statements regarding provider union collective agreement negotiations. Therefore we have no information to share at this time.
