SAHO and health care provider unions reach tentative agreement

The Saskatchewan Association of Health Organizations (SAHO) and the health care provider group of unions (CUPE, SEIU-West and SGEU), negotiated a tentative agreement during meetings in Saskatoon last week.

At this time, SAHO will not release details of the tentative agreement. Regional Health Authority boards, which are also required to ratify the collective agreement, are expected to conclude the process within 60 days.

-30-

SAHO represents more than 40 health care employers in the province.
